Re: *Intempco Controls Ltd. v. Endress+Hauser, Inc. et al.* (10-CV-02152-SDW-MCA)

Dear Judge Arleo:

By this letter, Plaintiff Intempco Controls, Ltd., with the consent of all Defendants, respectfully requests a six-week adjournment of all pending deadlines in the above-referenced matter.

The parties request this adjournment in light of their agreement to pursue mediation of the claims during the week of February 21, 2011. The parties have previously requested two separate adjournments. On January 14, 2011, this Court granted the parties' joint request to extend the deadline to file any motion to compel compliance with the Local Patent Rules. On January 14, 2011, the parties requested an adjournment of the January 17, 2011 deadline to submit the Joint Claim Construction and Prehearing Statement to January 25, 2011.

With the requested six-week extension, and if the mediation is not successful, the upcoming deadlines would be as follows:

March 8, 2011 – Joint Claim Construction and Prehearing Statement

March 18, 2011 – Motions to compel compliance with Patent Rules

March 30, 2011 – Claim construction discovery closes

April 8, 2011 – Reply briefs to any motion to compel compliance

April 12, 2011 – Motions to amend pleadings

April 14, 2011 – Opening *Markman* submissions

May 16, 2011 – Expert discovery closes

June 13, 2011 – *Markman* reply briefs

June 27, 2011 – Joint proposal concerning *Markman* schedule

Respectfully submitted,

Sandra C. McCallion
